Started 28 Apr 2022 10:30 BST

Lot	Description
-----	-------------

1	2No. Aluminum grain silos - to be sold in situ, buyer to remove after the sale.
---	---

1a	2No. Aluminum grain silos - to be sold in situ, buyer to remove after the sale.
----	---

2	Hydraulic spool block and spares
---	----------------------------------

3	Quantity inner tubes
---	----------------------

4	Quantity of wire fencing
---	--------------------------

5	Assortment self tapping screws and covers
---	---

6	Quantity hand tools
---	---------------------

7	Ferguson PTO covers
---	---------------------

8	Cattle chains
---	---------------

9	2No bottles jacks and spring jack
---	-----------------------------------

10	Cast iron belt pulley wheel
----	-----------------------------

11	Pulley hook
----	-------------

12	High tensile wire and a shackle
----	---------------------------------

13	Quantity of cattle halters
----	----------------------------

14	Quantity of turn buckles
----	--------------------------

15	2No sharpening blocks
----	-----------------------

16	Hay rack and trough
----	---------------------

17	Vink Calving aid
18	Quantity of cattle goods including ear tagger, drench gun etc
19	3No eartaggers and drenching outfit and dosing cup
20	Quantity of eartaggers and pour on applicator
21	Burdizzos
22	Quantity of gutter brackets
23	Quantity of water pipe fixings, ball cocks etc
24	Quantity of motors and water pump
25	Quantity plastic sheets
26	Deutz wafer weight
27	2No Implement wheels
28	2no axle stands
29	Black & Decker sucker blower, single phase
30	Concrete gutter
30A	Quantity hinges, bolts, gate pins etc
30B	Frame for Deutz wafer weights
30C	2No Michelin 205/80R16 XPC tyres
30D	Barrel pump
30E	Metal feed trough
30F	Feed trough
30G	Ornamental garden gate
30H	Ornamental garden gate

30I	Quantity blue rope 250m
-----	-------------------------

30J	Sandstone block
-----	-----------------

30K	Mill wheel
-----	------------

30L	2No hanging baskets
-----	---------------------

30M	Quantity drain tops
-----	---------------------

31	SuperPro Combi moisture analyser
----	----------------------------------

32	Supertech grain moisture meter
----	--------------------------------

35	French patio doors 1.68m x 2.01m
----	----------------------------------

36	French doors, 1.32m x 2.07m, brown
----	------------------------------------

36A	Window frame and glass, 1.45m wide x 1.475m tall
-----	--

36B	Barn door
-----	-----------

36C	Wooden gate 12ft
-----	------------------

36D	4No 12ft sheeted metal gates
-----	------------------------------

36E	Chain tensioner
-----	-----------------

37	Quantity Mahogany timber
----	--------------------------

38	Quantity tin roof sheets
----	--------------------------

39	Quantity wooden lengths
----	-------------------------

40	Quantity steel lengths
----	------------------------

41	Quantity wooden sections
----	--------------------------

42	Quantity blue alkathene pipe
----	------------------------------

43	Quantity threaded bar and gate bolts
----	--------------------------------------

44	Quantity barbed wire
----	----------------------

45	Quantity Belfast sinks
----	------------------------

46	Quantity paving bricks
----	------------------------

47	Quantity blue bricks
----	----------------------

48	Quantity ridge tiles
----	----------------------

49	Quantity roof tiles
----	---------------------

49A	Quantity decorative paving bricks
-----	-----------------------------------

49B	Quantity concrete drainage sections
-----	-------------------------------------

50	12No. Concrete culvert pipes - to be sold in situ
----	---

51	c.22No. Ceramic drainage pipes - to be sold in situ
----	---

52	Chimney pot
----	-------------

53	Bean pedestrian seed drill
----	----------------------------

54	Quantity baler twine
----	----------------------

55	1No. Roll Netexx 525 50m net wrap
----	-----------------------------------

59	Quantity chains
----	-----------------

60	Quantity chains
----	-----------------

61	Quantity chains
----	-----------------

63	Lister shearing machine
----	-------------------------

65	Massey Ferguson front grill
----	-----------------------------

66	Massey Ferguson pulley
----	------------------------

67	Vintage tractor tool boxes
----	----------------------------

68	Ferguson tool box
----	-------------------

69	Quantity Trailer towing eyes and drawbars
----	---

69A	Ferguson back window
69B	Quantity drill tines
70	Quantity Ferguson linkage accessories
71	Quantity Massey Ferguson wafer weights
72	3No. International wafer weights
73	Quantity Ferguson wheel weights
74	Quantity vintage spanners
75	Vintage hay forks
77	Quantity hydraulic hoses and fittings
78	Quantity hessian sacks
79	Quantity scythes
80	Staddle stone with top
81	Staddle stone with top
82	Staddle stone with top
83	Quantity staddle stone tops
83A	Quantity staddle stone tops
83B	Quantity steel lengths
84	Quantity steel roof purlins
85	Quantity 15ft roof purlins
86	Quantity Haybob tines
87	Stiga 5B28 pedestrian trimmer, spares or repairs
88	Sack barrow

89	Quantity milk churns
----	----------------------

90	Quantity milk churns
----	----------------------

91	Quantity milk churns
----	----------------------

92	Quantity milk churns
----	----------------------

93	Avery platform scales
----	-----------------------

94	Gate posts
----	------------

95	2No troughs
----	-------------

96	Galvanised open topped tank
----	-----------------------------

100	Metal drum
-----	------------

101	Plastic oil tank
-----	------------------

102	Plastic water tank
-----	--------------------

103	3No. 10ft gates and 1No. 12ft gate
-----	------------------------------------

104	Quantity steel gate hinges
-----	----------------------------

105	Metal fuel tank, 600 gallons
-----	------------------------------

106	2No. Concrete water troughs
-----	-----------------------------

107	2No. Concrete water troughs
-----	-----------------------------

108	Concrete water trough
-----	-----------------------

109	Galvanised water trough
-----	-------------------------

109A	Galvanised water trough
------	-------------------------

110	2No. 14ft 7" feed barriers and troughs
-----	--

111	2No. 14ft 6" feed barriers and wooden troughs
-----	---

112	2No. Hay racks and troughs
-----	----------------------------

113	Ritchie galvanised calf creep feeder
114	4No. Loddon wooden feed troughs, 7ft
115	3No. Loddon wooden feed troughs, 10ft
116	Diagonal feed barrier, 18ft 10inches
117	2No. Dolly tubs and trough
118	Poultry feeder
119	Cattle crush with weigh scale
120	Christy Hunt roller mill, 3 phase and hopper. NB: Manual in office
121	Bamford root pulper
122	F O'Brian Maximixam vintage cement mixer with Lister D engine. Serial No: L1245
123	Grain auger 4inch, 3 phase
124	Grain auger 4inch 8m, 3 phase. Spares or repair
125	2014 STIGA Park 420LM hydrostatic pivot steer ride on mower with Briggs and Stratton Powerbuilt 130 engine. Hours: 259 Serial No: 141203211Z NB: Manual in office
126	Pair cage wheels
127	Set Kleber 9.5R28 front and 9.5R44 rear wheels and tyres to suit Deutz tractor
128	Pair Pirelli 230/95R44 rear row crop wheels and tyres with Massey Ferguson centres and Kleber adapting centres
129	1981 Opico 270 7t mobile grain drier, gas fired, comes with manifold connection for bottles fitted recently with new pan and centre tube c/w filling auger and hopper. Serial No: 279074 NB: Manual in office
130	Chain harrows with bar
131	Vicon Acrobat
132	Massey Ferguson finger bar mower
133	Ferguson 2 furrow conventional plough
134	Ferguson 9 tine cultivator, 7ft, linkage mounted

135	Ferguson 2 row vintage potato planter
136	Helwig ZR57 potato spinner, PTO driven. Serial No: 74121
137	1978 Krone Optimat 4t rear discharge manure spreader with walking floor on 11.5/80-15 wheels and tyres. Serial No: 40868
138	Roll mesh
139	Quantity concrete posts
140	Quantity Ferguson plough parts
141	Quantity Kverneland plough parts
142	Quantity Kuhn plough parts
146	Browns Flat 8 bale grab with Euro brackets
147	1996 McHale BH bale squeeze with Euro brackets. Serial No: 1714
148	2004 Doughty Attachments 1t grain bucket with Merlo brackets. Serial No: 15001802
149	Browns 40 conventional bale carrier, linkage mounted and Merlo brackets
150	Browns Flat 8 conventional bale sledge
151	2010 McConnel PA48 hedgecutter with 1.3m flail head. Serial No: M1021685 NB: Manual in office
152	2011 John Deere CC324A 2.4m mower conditioner. Serial No: CC324AX287369 NB: Manual in office
153	Vicon Haybob 300, linkage mounted. Serial No: TH214318 NB: Manual in office
154	2010 Krone KW5.52 4 rotor hydraulic folding tedder. Serial No: 791893 NB: Manual in office
155	2008 Kuhn GA3201 GM single rotor rake. Serial No: B6714 NB: Manual in office
156	2008 John Deere 568 MultiCrop round baler with hydraulic back door. Serial No: CC0568X082702 NB: Manual and Control box in office
157	John Deere 2 leg subsoiler with additional rear tooth packer. Serial No: CJ45KMX101018
158	2008 Kuhn Multimaster 112 4f (3+1) reversible plough with skimmers. Serial No: J7554 NB: Manual in office
159	Massey Ferguson 9ft trailed discs

160	1982 Massey Ferguson 30 2.8m trailed drill, 15 coulter NB: Manual in office
161	2016 Amazone AD3000 Special 3m combination drill with 2016 Amazone KE3000 Super 3m power harrow. Drill Serial No: AD00039663. Power Harrow Serial No: KE006499 Manual and Control box in the Office.
162	Vaderstad 4.5m horizontal folding cambridge rolls. Serial No: 663
163	KRM Bogballe DZ twin disc 12m fertiliser spreader with 750 hopper extension. Serial No: 6761 NB: Manual in office
164	2017 Teams Sprayer SIGMA 12m 800l linkage mounted sprayer with manual folding booms. Serial No: 016648 NB: Manual and Control box in office
172	Ifor Williams TA510G twin axle livestock trailer with partitioning gate on 6.00/18 wheels and tyres. Serial No: 141185 NB: Manual in office
173	Clarke 20ft flat bed single axle bale trailer with front and rear raves, wooden floor
174	1991 AS Marston BT5 20ft flat bed single axle bale trailer with front and rear raves, metal floor. Serial No: 200695
175	1965 Marshall 4t single axle hydraulic tipping dropside grain trailer with front and rear raves
176	Salop AP100 5t single axle dropside trailer with metal side extensions on 10.0/75-15.3 wheels and tyres. Serial No: 76115
