## Sale by Auction of Farm Machinery and Livestock Equipment

Sale by Auction of Tractors, Materials Handler, Trailers, Cultivation, Grassland & Livestock Equipment at Oakley Grange Farm, Hathern, LE12 5LL

Oakley Grange Farm  
Shepshed Road  
Hathern

Leicestershire  
LE12 5LL  
United Kingdom

Started 08 Sep 2022 10:30 BST

Lot	Description
-----	-------------

1	Quantity of mixed metals
---	--------------------------

2	Quantity of rope and lifting straps
---	-------------------------------------

3	Quantity of paints
---	--------------------

4	Vermin trap
---	-------------

5	Quantity of hose
---	------------------

6	Rubber mat
---	------------

7	Quantity of electrical spares
---	-------------------------------

8	Quantity of rope
---	------------------

9	Quantity of storage bins
---	--------------------------

10	Quantity of 'T' clips
----	-----------------------

11	Quantity of hydraulic spares
----	------------------------------

12	Quantity of various oils
----	--------------------------

13	Rope pulley
----	-------------

14	Gazebo
----	--------

15	Quantity of threaded bar
----	--------------------------

16	Knapsack sprayer
----	------------------

---

17	Quantity of nuts, bolts and washers
----	-------------------------------------

---

18	Quantity of springs
----	---------------------

---

19	Quantity of nuts, bolts and bearings
----	--------------------------------------

---

20	Quantity of mower blades
----	--------------------------

---

21	Quantity of padlocks and chains
----	---------------------------------

---

22	Quantity of roof fixings
----	--------------------------

---

23	Quantity of nuts, bolts and washers
----	-------------------------------------

---

24	Quantity of nuts, bolts and washers
----	-------------------------------------

---

25	Quantity of nuts, bolts and washers
----	-------------------------------------

---

26	Quantity of tractor pins and shackles
----	---------------------------------------

---

27	Quantity of gate fixings and furniture
----	--

---

27A	Quantity galvanised gate furniture
-----	------------------------------------

---

27B	Quantity gate furniture
-----	-------------------------

---

28	Quantity of gate fixings and furniture
----	--

---

29	Quantity of rotavator blades
----	------------------------------

---

30	Quantity of points
----	--------------------

---

31	Quantity of chain
----	-------------------

---

32	Quantity of miscellaneous spares
----	----------------------------------

---

33	Quantity of 'O' rings and clips
----	---------------------------------

---

34	Quantity of tool boxes
----	------------------------

---

35	Quantity of sandpaper
----	-----------------------

---

36	Quantity of air tools
----	-----------------------

---

---

37	Quantity of grease guns and grease
----	------------------------------------

---

38	Quantity of lamps
----	-------------------

---

39	Quantity of hose
----	------------------

---

40	Parasol
----	---------

---

41	3 No. Pews
----	------------

---

42	Quantity of signs
----	-------------------

---

43	Quantity of tools
----	-------------------

---

44	Quantity of hand tools
----	------------------------

---

45	Quantity of hand tools
----	------------------------

---

46	Quantity of hand tools
----	------------------------

---

47	Quantity of fire extinguishers
----	--------------------------------

---

48	Quantity of fire extinguishers
----	--------------------------------

---

48A	Quantity of chalk boards
-----	--------------------------

---

48B	Quantity of belts
-----	-------------------

---

48C	Turbair store cleaner
-----	-----------------------

---

48D	Quantity of flashing beacons and lights
-----	---

---

48E	Electrical switchboard
-----	------------------------

---

48F	Quantity of electrical spares and lights bulbs
-----	--

---

48G	Quantity of heating spares
-----	----------------------------

---

48H	2 No. Inner tubes
-----	-------------------

---

48I	Quantity of electric fence units and other spares
-----	---

---

48J	Calving aid
-----	-------------

---

---

48K	Quantity of drench guns and fly spray
-----	---------------------------------------

---

48L	Quantity of cattle accessories
-----	--------------------------------

---

48M	Quantity of organic All-trace cattle boluses
-----	--

---

48N	Quantity of All-trace cattle boluses
-----	--------------------------------------

---

48O	2 No. Digital tills
-----	---------------------

---

48P	Quantity of sheep accessories
-----	-------------------------------

---

48Q	Quantity of sheep accessories
-----	-------------------------------

---

48R	Quantity of syringes
-----	----------------------

---

48S	Wile hay moisture meter
-----	-------------------------

---

48T	Calving cameras
-----	-----------------

---

48U	Shearwell SDL150 race reader
-----	------------------------------

---

49	1 No. water trough and fixings
----	--------------------------------

---

49A	Skylotec PPE
-----	--------------

---

49B	Quantity of light accessories
-----	-------------------------------

---

49C	Quantity of hand tools
-----	------------------------

---

49D	Carriage lamp, fire guard and potato rumbler
-----	--

---

49E	Water heater, single phase
-----	----------------------------

---

49F	Induction hob and fryer
-----	-------------------------

---

49G	Robot Coupe blender
-----	---------------------

---

49H	Heater, single phase
-----	----------------------

---

49I	Quantity of extension leads
-----	-----------------------------

---

49J	Quantity of brush heads
-----	-------------------------

---

49K	Quantity of knives and lamps
-----	------------------------------

49L	2 No. Dock pullers
-----	--------------------

49M	Quantity of traffic cones
-----	---------------------------

49N	Quantity of water drinkers
-----	----------------------------

49O	Qauntity of buckets
-----	---------------------

50	{ Option of lots: 50, 51 } Quantity dry fire wood in steel crates
----	---

51	{ Option of lots: 50, 51 } Quantity dry fire wood in steel crates
----	---

52	{ Option of lots: 52 } Quantity dry fire wood in steel crates
----	---

53	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

54	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

55	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

56	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

57	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

58	{ Option of lots: 53, 54, 55, 56, 57, 58 } Quantity dry fire wood in steel crates
----	---

58A	Fraser roller mill, 3ph
-----	-------------------------

59	Quantity steel stillage
----	-------------------------

59A	Steel cabinet
-----	---------------

60	Steel shelving
----	----------------

61	Dexion shelving
----	-----------------

62	Single pallet rack section
----	----------------------------

63	Single pallet rack section
----	----------------------------

64	Single pallet rack section
----	----------------------------

65	Single pallet rack section
66	Steel shelf trolley
67	5 No. galvanised trolleys
70	Workshop welding bench 2m x 1m
71	Quantity of electric fencing wire
72	3 No. subsoiler legs
73	Quantity of topper blades
74	Workshop bench & vice
74A	Wooden pigeon hole cabinets
74B	Workshop bench and vice
74C	Quantity of spanners and workshop tools
75	Aluminium steps
76	Ladder
78	4 No Belfast sinks
79	Quantity 2' x 3' concrete slabs
80	Quantity Swithland slate
81	Quantity hazard signs
82	Hydraulic ram
83	Sack barrow
83A	Wire dispenser
84	Quantity plumbing fittings
84A	Quantity of electrical junction boxes and components and spare parts

---

84B	Cabinet
-----	---------

---

84C	Metal shelving
-----	----------------

---

84D	Metal shelving
-----	----------------

---

84E	Cabinet
-----	---------

---

84F	Quantity shelf racking
-----	------------------------

---

84G	Cabinet
-----	---------

---

84H	Cabinet
-----	---------

---

85	2No Gas fired bird scarers
----	----------------------------

---

86	Quantity batteries
----	--------------------

---

87	Quantity engines
----	------------------

---

88	Quantity Suffolk coulter
----	--------------------------

---

89	Quantity hydraulic rams
----	-------------------------

---

89A	2 No. galvanized lamb adopters
-----	--------------------------------

---

90	Quantity. dual wheel clamps
----	-----------------------------

---

91	Quantity hay making equipment spares
----	--------------------------------------

---

92	Quantity spring tines
----	-----------------------

---

93	Quantity various cultivator tines
----	-----------------------------------

---

94	Quantity Bomford Dyna-Drive tines
----	-----------------------------------

---

95	Quantity Dowdeswell plough spares
----	-----------------------------------

---

96	Quantity flat lift spares
----	---------------------------

---

98	Quantity Howard Rotavator spares
----	----------------------------------

---

99	Quantity drill spares to include wheel track eradicators and bout markers
----	---

---

100	Quantity PTO shafts and accessories
101	Castrol oil dispenser and pump
102	Niaema air powered staple gun
102A	Quantity RSJs
103	Butters 225 MiG welder, 3 phase
103A	Oxy-Acetylene torches, gauges and accessories
103B	Arc welder
103C	2 No. gas space heaters
103D	6 No. galvanised gates
104	Farm Feed System, 3 phase pelleter,. Serial No: 51180
105	Pedestrian rotavator
105A	Pedestrian rotavator
106	Howard 18" pedestrian rotavator with Kohler engine
106A	Bull drinker
106B	Feed trolley
106C	Feed trolley
106D	Petrol Jenny
106E	Quantity of wearing metal
106F	Quantity of filters
106G	Quantity of spares
106H	Quantity of elevator belts and cups
106I	Quantity of following harrows and power harrow tines

---

106J	Suzuki SV220PD petrol generator
------	---------------------------------

---

106K	Pair of Fendt tractor steps
------	-----------------------------

---

106L	Quantity of tools
------	-------------------

---

106M	Injector tester
------	-----------------

---

106N	Quantity of straining wire and barbed wire
------	--

---

106O	Quantity of Manitou spares
------	----------------------------

---

106P	Locker cabinet
------	----------------

---

106Q	Quantity of top links
------	-----------------------

---

106R	Concrete panel lifters
------	------------------------

---

106S	Map cabinet
------	-------------

---

106T	Wheel barrow (not water tight)
------	--------------------------------

---

106U	Quantity of electrical compenents
------	-----------------------------------

---

106V	3 No. galvanised gate posts
------	-----------------------------

---

106W	Quantity of steel pipe sections
------	---------------------------------

---

106X	Wooden workbench
------	------------------

---

106Y	Wooden workbench
------	------------------

---

106Z	Wooden workbench
------	------------------

---

107	Auger
-----	-------

---

107A	2 No. sheeted doors
------	---------------------

---

107B	Linkage mounted frame / transport box
------	---------------------------------------

---

107C	Grain mixer
------	-------------

---

107D	Steel doors
------	-------------

---

---

107E	'A' Frame
------	-----------

---

107F	Quantity pig feed
------	-------------------

---

107G	Pallet tines
------	--------------

---

107H	Vehicle mounted bike frame
------	----------------------------

---

107I	Quantity of chain
------	-------------------

---

107J	Quantity of rock salt
------	-----------------------

---

107K	Pair of car ramps
------	-------------------

---

107L	Pair of steel cart wheels
------	---------------------------

---

107M	Traditional drinker
------	---------------------

---

107N	Quantity of high tensile wire
------	-------------------------------

---

107O	Qauntity of hand tools
------	------------------------

---

107P	Quantity of motors
------	--------------------

---

107Q	4 No.Massey Ferguson 45kg wafer weights
------	---

---

107R	Linkage mounted weight block and weights suited to Fendt
------	--

---

107S	Quantity of hoe spares
------	------------------------

---

107T	4 No. hand gates
------	------------------

---

107U	Quantity of gates
------	-------------------

---

107V	2 No. gate posts
------	------------------

---

107W	Quantity of hand tools
------	------------------------

---

107X	Header tank
------	-------------

---

107Y	Quantity of drain tops
------	------------------------

---

107Z	Quantity of black sheeting
------	----------------------------

---

108	Quantity of drainage tops
108A	Quantity of slabs
108B	Quantity of checker plate
108C	Quantity of miscellaneous wood
108D	Quantity of miscellaneous plastic piping
108E	Quantity of misc tyres
108F	Single axle wooden car trailer 3'5" x 4'
109	Quantity gravel bags for silage clamps (2 pallets)
110	Quantity gravel bags for silage clamps (2 pallets)
111	Quantity gravel bags for silage clamps (2 pallets)
112	Quantity gravel bags for silage clamps (2 pallets)
113	Quantity of top sheets
114	2No Michelin 460/70R24 tyres (repaired)
115	Hydrovane trailed compressor with 4 cylinder Ford diesel engine, single axle
116	Titan FM2500 bunded fuel tank with 240v pump and meter. Sold in situ. Buyer to remove
117	Wooden ornamental garden tractor, buyer to remove
118	Quantity plant pots
118A	Quantity plant pots
119	Single metal seed corn bins with pallet tine attachments
120	Single metal seed corn bins with pallet tine attachments
121	Feed bin with hydraulic auger and stirrer
122	Metal feed bins on stand

123	Metal feed bin on stand
125	1No 18' 11' x 2' concrete panel
125A	2No 18' 11' x 4' concrete panel
125B	1No 18' 11' x 2' concrete panel
126	2No 19' 11" x 5' concrete panel
126A	2No 15' 6" x 4' concrete panels
127	1No 19' 4" x 2' concrete panel and 1 No 19' 4" x 4" concrete panel
127A	1No 19' 4" x 2' concrete panel and 1 No 19' 4" x 4" concrete panel
128	2No 14' 9" x 1" 7' concrete panels
129	2No 14' 9" x 4' concrete panels
130	1No 14' x 4' concrete panel
131	2No 13' 8" x 4' concrete panels
132	Quantity misc grain equipment
135	20' Storage container complete with inside racking, wooden floor, sold in situ, buyer to remove
136	20' Storage container complete with inside racking, wooden floor, sold in situ, buyer to remove
137	Law Dennis EAC350 rotary grain cleaner with 4No sieves and augers, 3 phase, sold in situ, buyer to remove
138	Grain conveyor c.40t/hour, 3 phase, sold in situ, buyer to remove
139	25t Crittall bin with tapered bottom, sold in situ, buyer to remove
140	2No 10t Industrial grain bins, sold in situ, buyer to remove
141	2No 10t Industrial grain bins, sold in situ, buyer to remove
142	18m x 8m Softwood grain drying floor, sold in situ, buyer to remove
143	Galvanised grain tunnelling 60' length, sold in situ, buyer to remove

144	Rekord grain stirrer, 3 phase, sold in situ, buyer to remove
145	Akron 30' grain auger, 3 phase , sold in situ, buyer to remove
145A	Quantity misc. wooden posts
146	2No packs Shield 1800x85-90 new wooden fence posts (c.220 posts)
147	Quantity plastic electric fence stakes
148	quantity electric fence stakes
149	quantity of electric fence stakes
150	Quantity electric fencing wire
155	Rappa ATV fence winder. Manual in Office
156	{ Option of lots: 156, 157 } 5No. Gallagher spider wheels
157	{ Option of lots: 156, 157 } 5No. Gallagher spider wheels
158	{ Option of lots: 158, 159 } 5No. Gallagher spider wheels
159	{ Option of lots: 158, 159 } 5No. Gallagher spider wheels
173	1No 9' 8" x 5' sheeted door
174	Pair 14' 6" x 6' gates
175	14' 6" x 5' gate with wooden boards
176	6' 6" x 4' 6" gate
177	Pair 14' 6" x 4' 2" gates
178	4No 14' 7" x 6' sheeted doors
179	3No galvanised gates 14ft 11in
180	6No galvanised gates 12ft
181	3No. 12' gates

182	1No. 13' gates
183	Wooden barn doors
184	2No. miscellaneous gates
184A	2No. 13' gates
184B	2No. 12' gates
184C	2No. 12' gates
185	Quantity poultry feeders / drinkers and wire
185A	Pig feeder
186	Galvanised pig feeder with pallet tine attachments
187	2No galvanised pig feeders with pallet tine attachments
188	2No galvanised pig feeders with pallet tine attachments
189	Quantity black plastic pig feeders
189A	2No pig shelters
190	2No pig arcs
191	2No pig arcs
192	2No pig arcs
195	2No farrowing pens
196	Longhorn 12v shearing piece and spares
197	Heatwave Milk Warmer, lamb / calf milk feeder, single phase
198	2No plastic molasses feeders
199	Daytek galvanised twin axle big bale ground driven unroller trailer for UTV, ball hitch attachment
200	Quantity leather bull halters

---

201	Quantity calf milk feeding buckets
-----	------------------------------------

---

203	2No. cattle ring feeders
-----	--------------------------

---

204	Galvanised calf creep feeder
-----	------------------------------

---

205	Galvanised calf creep feeder
-----	------------------------------

---

206	{ Option of lots: 206, 207 } 2No 7' 6" concrete forage troughs
-----	--

---

207	{ Option of lots: 206, 207 } 2No 7' 6" concrete forage troughs
-----	--

---

208	{ Option of lots: 208, 209 } 2No 7' 6" concrete forage troughs
-----	--

---

209	{ Option of lots: 208, 209 } 2No 7' 6" concrete forage troughs
-----	--

---

210	2No 7' 6" concrete forage troughs
-----	-----------------------------------

---

211	2No. concrete water troughs
-----	-----------------------------

---

212	2No. concrete water troughs
-----	-----------------------------

---

213	2No. concrete water troughs
-----	-----------------------------

---

214	2No. concrete water troughs
-----	-----------------------------

---

215	1No. concrete water trough
-----	----------------------------

---

216	1No. concrete water trough
-----	----------------------------

---

217	1No. concrete water trough
-----	----------------------------

---

218	1No. concrete water trough
-----	----------------------------

---

219	2No concrete water troughs
-----	----------------------------

---

220	2No concrete water troughs
-----	----------------------------

---

221	2No pig wallow troughs
-----	------------------------

---

222	3No galvanised water troughs
-----	------------------------------

---

223	1No galvanised water troughs
-----	------------------------------

---

---

225A	2No black plastic water troughs
------	---------------------------------

---

225B	3No black plastic water troughs
------	---------------------------------

---

225C	3No black plastic water troughs
------	---------------------------------

---

225D	Alkathene pipe
------	----------------

---

225E	1No. Concrete Water Trough (cracked)
------	--------------------------------------

---

225F	2No. Concrete water trough
------	----------------------------

---

225G	1No. Concrete water trough
------	----------------------------

---

225H	1No. Concrete water trough
------	----------------------------

---

225i	Quantity of pig wallows
------	-------------------------

---

225j	1No. metal water trough
------	-------------------------

---

225K	2No. diagonal feed fence
------	--------------------------

---

225L	2No. diagonal feed fence
------	--------------------------

---

225M	5' 1" x 5' 4" metal gate
------	--------------------------

---

225N	15' 10" x 5' 1" metal barrier
------	-------------------------------

---

225O	7' 1" x 6' 4" metal gate frame
------	--------------------------------

---

225P	4No 9' 10. diagonal feed barrier
------	----------------------------------

---

225Q	Misc. feed barriers
------	---------------------

---

226	Quantity 10' diagonal feed barriers
-----	-------------------------------------

---

227	Quantity 12' diagonal feed barriers
-----	-------------------------------------

---

231	1No self locking yoke 6m cattle barrier
-----	---

---

232	1No. self locking yoke 6m cattle barrier
-----	--

---

233	{ Option of lots: 233, 234 } Self locking yoke 1.2m cattle barrier
-----	--

---

234 { Option of lots: 233, 234 } Self locking yoke 1.2m cattle barrier

---

234A { Group of lots: 234A, 235 } Self locking yoke 1.2m cattle barrier

---

235 { Group of lots: 234A, 235 } Self locking yoke 1.2m cattle barrier

---

236 2No 10' IAE galvanised cattle hurdles

---

237 6No 10' galvanised cattle hurdles

---

238 6No 8' galvanised cattle hurdles

---

239 IAE Centurion self locking catching gate. Serial No: 0466381

---

239A 12' Extending gate

---

240 Calving gate with self locking yolk

---

241 IAE galvanised cattle crush

---

242 Tony Binns galvanised mobile cattle handling system c/w 6No 12ft gates, hydraulic lowering. Serial No: A1111

---

243 Weigh platform and weigh head to suit Tony Binns mobile handling system

---

244 2020 Bateman galvanised cattle squeeze crush

---

245 Tru-Test Weigh platform to suit Bateman cattle crush (reader in the office)

---

246 Iconix FX1 Series weigh platform and weigh head

---

247 Quantity plastic lamb milk feeding buckets

---

248A Water tank

---

248B Black plastic tank

---

248C Recyclable bin

---

248D Wooden pig transport trailer 8' x 5'

---

248E Single axle car trailer 7' x 3' 10"

---

248F 3No 12' gated hurdle

---

---

248G	3' 2" gate
------	------------

---

248H	{ Option of lots: 248H, 248I } 1No. Metal Stillage Bin
------	--

---

248I	{ Option of lots: 248H, 248I } 1No. Metal Stillage Bin
------	--

---

249	{ Option of lots: 249, 250, 251, 252 } 1No Shearwell wooden feed trough
-----	---

---

250	{ Option of lots: 249, 250, 251, 252 } 1No Shearwell wooden feed trough
-----	---

---

251	{ Option of lots: 249, 250, 251, 252 } 1No Shearwell wooden feed trough
-----	---

---

252	{ Option of lots: 249, 250, 251, 252 } 1No Shearwell wooden feed troughs
-----	--

---

253	{ Option of lots: 253, 254 } 2No Shearwell wooden feed troughs
-----	--

---

254	{ Option of lots: 253, 254 } 2No Shearwell wooden feed troughs
-----	--

---

255	{ Option of lots: 255, 256 } 2No Shearwell wooden feed troughs
-----	--

---

256	{ Option of lots: 255, 256 } 2No Shearwell wooden feed troughs
-----	--

---

257	{ Option of lots: 257, 258 } 2No Shearwell wooden feed troughs
-----	--

---

258	{ Option of lots: 257, 258 } 2No Shearwell wooden feed troughs
-----	--

---

258A	Quantity of plastic half pipes
------	--------------------------------

---

259	Solway plastic ring feeder
-----	----------------------------

---

260	Quantity of sheep netting
-----	---------------------------

---

261	Quantity of wire netting
-----	--------------------------

---

265	Poldenvale galvanised lamb creep feeder
-----	---

---

266	IAE square galvanised sheep round bale feeder
-----	---

---
