Lot	Description
-----	-------------

1	Tornado wing flap Approximately 1300mm x 600mm
---	--

2	Lynx helicopter air intake duct
---	---------------------------------

3	Tornado fuselage panel Approximately 1350mm x 300mm
---	---

4	Tornado wing tip 1700mm x 320mm
---	---------------------------------

5	Tornado wing tip 1700mm x 320mm
---	---------------------------------

6	Tornado wing tip 1430mm x 280mm
---	---------------------------------

7	Tornado wing tip 1430mm x 280mm
---	---------------------------------

8	Tornado wing flap Approximately 1400mm x 550mm
---	--

9	Tornado wing flap Approximately 1300mm x 620mm
---	--

10	Tornado wing flap Approximately 1300mm x 620mm
----	--

11	Tornado wing flap Approximately 1250mm x 950mm
----	--

12	2 - Tornado loading wheels
----	----------------------------

13	3 - Tornado loading wheels
----	----------------------------

14	Aircraft radar rotator Approximately 1000mm in diameter
----	---

15	Tornado auxiliary door panel Approximately 650mm x 380mm
----	--

16	2 - Tornado autators
----	----------------------

17	Tornado rudder nib Approximately 550mm x 300mm
----	--

18	2 - Tornado lighting control panels
19	Tornado tab display unit
20	5 - miscellaneous Tornado landing gear legs/components All approximately 800mm long
21	Tornado aux panel Approximately 900mm x 800mm
22	Tornado hydraulic pump
23	Tornado hydraulic pump
24	Tornado hydraulic pump
25	Tornado hydraulic pump
26	Tornado heated front windscreen
27	Tornado heated front windscreen
28	Automatic pilot gyro unit
29	Gyro direction indicator
30	Sea King helicopter hull door Approximately 1400mm x 600mm
40	Sea King helicopter drop down steps Approximately 1200mm x 950mm
41	Sea King helicopter drop down steps Approximately 1200mm x 950mm
42	Sea King helicopter drop down steps Approximately 1200mm x 950mm
43	Sea King helicopter drop down steps Approximately 1200mm x 950mm
44	Aluminium turbine puller Approximately 350mm in diameter
45	Francis ex-tank searchlight Dimensions: 25cm diameter 20cm deep
46	Francis ex-tank searchlight Dimensions: 25cm diameter 20cm deep
47	Francis ex-tank searchlight Dimensions: 25cm diameter 20cm deep
48	5 - telescopic fuel hoses

49	5 - telescopic fuel hoses
50	Box of aircraft brake discs
51	Box of 8 - Airscrew cooling fans
52	Rolls Royce Gems jet turbine engine module
53	Rolls Royce Gems jet turbine engine module
54	Rolls Royce Gems jet turbine engine module
55	Box of miscellaneous Tornado panels
56	Lynx helicopter intake panel c/w wooden packing crate 850mm x 850mm x 700mm tall
57	Lynx helicopter intake panel c/w wooden packing crate 850mm x 850mm x 700mm tall
58	Wooden packing crate 610mm x 560mm x 560mm tall
59	Rolls Royce Tornado fuel pump c/w wooden packing crate
60	Sea King helicopter tail rotor assembly
61	Pilot seat
62	Pilot seat
63	Box of miscellaneous air craft spares as lotted
64	Box of approximately 50 Rolls Royce aircraft jet engine turbine blades as lotted
65	Box of approximately 50 Rolls Royce aircraft jet engine turbine blades as lotted
66	Box of approximately 50 Rolls Royce aircraft jet engine turbine blades as lotted
67	Box of approximately 42 Rolls Royce aircraft jet engine turbine blades as lotted
68	Box of approximately 42 Rolls Royce aircraft jet engine turbine blades as lotted
69	Box of approximately 42 Rolls Royce aircraft jet engine turbine blades as lotted
70	Box of approximately 37 Rolls Royce aircraft jet engine turbine blades as lotted

71 Box of approximately 50 Rolls Royce aircraft jet engine turbine blades as lotted

72 Box of approximately 27 Rolls Royce aircraft jet engine turbine blades as lotted

73 Box of approximately 99 Rolls Royce aircraft jet engine turbine blades as lotted

74 Tornado fuel system control unit

75 Lynx helicopter oil filling stand

76 Lynx helicopter pilots door c/w wooden packing crate

77 Lynx helicopter pilots door c/w wooden packing crate

78 Tornado cockpit canopy

79 Tornado cockpit canopy

80 Tornado 2250 litre drop fuel tank Approximately 20ft long x 2ft 6 inch in diameter

81 Tornado 2250 litre drop fuel tank Approximately 20ft long x 2ft 6 inch in diameter

82 Tornado 2250 litre drop fuel tank Approximately 20ft long x 2ft 6 inch in diameter

84 Vickers VC10 landing wheel & tyre Unused

85 Vickers VC10 landing wheel & tyre Unused

86 Sea King helicopter main rotor blade

87 Sea King helicopter main rotor blade

88 Sea King helicopter main rotor blade

89 Sea King helicopter main rotor blade

90 Sea King helicopter main rotor blade

91 Rolls Royce RB199 Gems jet turbine engine c/w transportation case

92 Rolls Royce RB199 Gems jet turbine engine c/w transportation case

93 Tornado wing to fuselage piece

94	Tornado wing to fuselage piece
95	Tornado wing to fuselage piece
96	Tornado wing to fuselage piece
97	Lynx helicopter duct c/w wooden packing crate approximately 1250mm x 850mm x 1100mm tall
98	Lynx helicopter duct c/w wooden packing crate approximately 1250mm x 850mm x 1100mm tall
99	Thorn aircraft radar/antenna unit Approximately 650mm across
100	Thorn aircraft radar/antenna unit Approximately 650mm across
101	Thorn aircraft radar/antenna unit Approximately 650mm across
102	Sea King helicopter engine panel
103	Sea King helicopter engine panel
104	Sea King helicopter engine panel
105	Lynx helicopter main side door
106	Lynx helicopter main side door
107	Lynx helicopter main side door
108	Sea King helicopter sponsoon landing gear assembly c/w wooden packing case approximately 2950mm x 1600mm x 1000mm tall
109	Tornado antenna system
110	Tornado antenna system
111	Tornado antenna system
113	Turmo jet turbine engine module Approximately 460mm in diameter x 200mm deep c/w wooden packing case
114	Turmo jet turbine engine module Approximately 460mm in diameter x 200mm deep c/w wooden packing case
115	Tornado test equipment
116	Dominie jet turbine engine nose cowling Approximately 600mm wide x 700mm tall

117	Dominie jet turbine engine nose cowling Approximately 600mm wide x 700mm tall
118	Box of miscellaneous aircraft spares
119	Tornado engine hood panel Approximately 600mm wide x 700mm tall
120	Tornado antenna aerial Approximately 450mm long x 300mm tall
121	Tornado antenna aerial Approximately 450mm long x 300mm tall
122	Lynx helicopter hoist assembly
123	Lynx helicopter hoist assembly
124	Lynx helicopter hoist assembly
125	Lynx helicopter hoist assembly
126	10 - Rolls Royce RB199 air compressors **Please note this lot is 10 compressors only 1 is photographed**
127	10 - Rolls Royce RB199 air compressors **Please note this lot is 10 compressors only 1 is photographed**
128	10 - Rolls Royce RB199 air compressors **Please note this lot is 10 compressors only 1 is photographed**
129	10 - Rolls Royce RB199 air compressors **Please note this lot is 10 compressors only 1 is photographed**
130	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
131	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
132	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
133	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
134	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
135	Lynx helicopter blade sleeve/holder Approximately 850mm long c/w wooden packing crate 900mm x 330mm x 330mm tall
136	Lynx air intake assembly c/w wooden packing crate approximately 750mm x 750mm x 600mm tall
137	Lynx air intake assembly c/w wooden packing crate approximately 750mm x 750mm x 600mm tall
138	Lynx air intake assembly c/w wooden packing crate approximately 750mm x 750mm x 600mm tall

139	Jet Stream aircraft passenger seat
-----	------------------------------------

140	Astazou 3NZ fuel control unit
-----	-------------------------------

141	Astazou 3NZ fuel control unit
-----	-------------------------------

142	Astazou 3NZ fuel control unit
-----	-------------------------------

143	Astazou 3NZ fuel control unit
-----	-------------------------------

144	Sea King helicopter wing structure assembly Approximately 1170mm x 700mm x 200mm thick
-----	--

145	Sea King helicopter wing structure assembly Approximately 1170mm x 700mm x 200mm thick
-----	--

146	Tornado windscreen Approximately 1200mm x 1000mm
-----	--

147	Pegasus engine cover Approximately 2 metre x 3 metre
-----	--

148	Pegasus engine cover Approximately 2 metre x 3 metre
-----	--

149	Pegasus engine cover Approximately 2 metre x 3 metre
-----	--

150	Lynx helicopter tail gearbox assembly c/w wooden packing case
-----	---

151	Tornado electro hydraulic control unit
-----	--

152	Tornado electro hydraulic control unit
-----	--

153	Tornado electro hydraulic control unit
-----	--

154	Tornado electro hydraulic control unit
-----	--

155	Tornado electro hydraulic control unit
-----	--

156	Actuator rod Approximately 900mm long
-----	---------------------------------------

157	Tornado rudder base Approximately 1500mm long
-----	---

158	4 - Tornado panels Approximately 600mm x 400mm
-----	--

159	Tornado radar skirts/nose section Approximately 1100mm in diameter x 370mm deep
-----	---

160	Fuel reservoir Approximately 950mm tall
-----	---

161	Merlin helicopter panel Approximately 900mm x 360mm
162	Merlin helicopter panel Approximately 900mm x 360mm
163	Wooden crate & contents of Merlin helicopter panels
164	Lynx helicopter hoist/winch assembly c/w wooden packing crate
165	Lynx helicopter hoist/winch assembly c/w wooden packing crate
166	Lynx helicopter hoist/winch assembly c/w wooden packing crate
167	Yanmar diesel driven generator for spares only
168	Yanmar diesel driven generator for spares only
169	Yanmar diesel driven generator for spares only
170	UBRE Lister Petter diesel driven fuel transfer pump
173	Cummings 6BT turbo charged diesel engine c/w wooden packing crate
174	Case M850 backhoe loader arm and controls removed from a unimog
175	Schmidt FL-4 front loader removed from a unimog
176	Team 500 litre petrol driven mobile sprayer/washer
177	Team 500 litre petrol driven mobile sprayer/washer
178	Aluminium aircraft loading plate Approximately 2.6 metre x 2.1 metre
179	Aluminium aircraft loading plate Approximately 2.6 metre x 2.1 metre
180	Aluminium aircraft loading plate Approximately 2.6 metre x 2.1 metre
181	Aluminium aircraft loading plate Approximately 2.6 metre x 2.1 metre
182	Team 2500 litre towable crop sprayer c/w rear boom & Honda petrol driven pump 11268
183	Ubre diesel driven fuel transfer pump
184	Ubre diesel driven fuel transfer pump
