-
- 71 1x High Powered LED Tungsten light, Mains only, comes with diffusion and 2x egg crates and soft case. DMX control
-
- 72 Not been really used but have been scratched while in storage
-
- 73 Works bit scruffy
-
- 74 Works looks better than number 1
-
- 75 Has chrome top, 3x 13amp sockets and USB never been used so really good condition
-
- 76 They were used for about 4hrs then taken back out, I have not tested them

Mainly box's from screwfix, some have been opened but lots have not. May be some oxidisation on them but fine apart from that. The box's may not be great.
